Application Agreement for SEMAA INSTRUCTOR

I hereby authorize OLC SEMAA personnel/consultants to utilize any and all information regarding your application for the OLC SEMAA program. This includes but not limited to the contact of your school administrator and receiving his/her agreement to participate, your agreement to participate, etc. Any information provided will be kept confidential and utilized solely for the purpose of your becoming a SEMAA Instructor.

Further, it must be understood that becoming a OLC NASA SEMAA Instructor is a non-paid position. Becoming an OLC NASA SEMAA Instructor is considered a privilege. Instruction is carried out in an In-School Model and/or in an after-school model during your normal teaching day. Administration support is required.

It is expected that once you start the program you will complete the program as it was designed with fidelity.

By signing this agreement you are submitting your application to become an OLC NASA SEMAA Instructor and agree to follow all OLC NASA SEMAA guidelines and regulations.

After completing this application, someone will be with you shortly to complete and determine your eligibility to participate in the program. Visit olcsemaasite.yolasite.com to review information.
